**INFORMATION DISCLOSURE
STATEMENT**

Docket Number:
10793/52

Application Number
10/058,066

Filing Date
January 29, 2002

Examiner
MARTIN, Lazena

Art Unit
1694

Invention Title
**A METHOD OF TREATING WOUNDS BY
ENHANCING EXPRESSION OF PROCOLLAGEN**

Inventor(s)
BARTON and KRAMER

Address to:

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

I hereby certify that this correspondence is being deposited with the
United States Postal Service with sufficient postage as first class mail in an envelope
addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-
1450 on

Date: **10/24/03**

By: *Kathryn M. Lumb*
Kathryn M. Lumb (Reg. No. 46,885)

1. In accordance with the duty of disclosure under 37 C.F.R. § 1.56 and in conformance with the procedures of 37 C.F.R. §§ 1.97 and 1.98 and M.P.E.P. § 609, attorneys for Applicants hereby bring the attached references to the attention of the Examiner. These references are listed on the attached modified PTO Form No. 1449. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.
2. The filing of this Information Disclosure Statement and the attached PTO Form No. 1449, shall not be construed as an admission that the information cited is prior art, or is considered to be material to patentability as defined in 37 C.F.R. § 1.56(b).
3. A copy of each patent, publication or other information listed on the modified PTO form 1449 is enclosed.
4. It is believed that no fees are due in connection with this Information Disclosure Statement. However, should any fees be due, the Commissioner is authorized to charge or credit any over payment to Deposit Account No. 11-0600. A duplicate copy of this communication is enclosed for charging purposes.
